# Lab Caches and more

We have prepared **5 series of lab caches**, each containing 10 caches. Two of these series will be located outside the event venue, but we will leave them in place for a long time after the Block Party ends. The other three series can be found directly in Smetanovy sady park.

## AVAILABLE LONG-TERM AFTER THE END OF GEOSLOVÁCKO 2025

- ① VELKÁ MORAVA - VÝŠINA
- ② VELKÁ MORAVA - NA VALÁCH

## AVAILABLE ONLY ON AUGUST 16, 2025, FROM 11:00 AM TO 9:00 PM

- ① STRAVA SLOVANŮ
- ② OSOBNOSTI SLOVÁCKA 2
- ③ PAMÁTKY SLOVÁCKA

## New classic caches

In addition to five series of LAB caches, the orga team has prepared several **classic caches** for you, which were published before or during GeoSlovácko 2025, and there are even some surprises in store for Sunday.

Each new cache will be added to a bookmark after its publication, which you can open by scanning the QR code. Each cache is **FTF friendly** on the day of its publication! And in some caches, you will find a **special CWG** for this year's GeoSlovácko 2025 CWG collection.

## LOCATIONLESS CACHE 25

Haven't logged a unique Locationless Cache yet? These lab caches give you tips on where to take a photo with the number 25 in Uherské Hradiště and the surrounding area.
